

" Sampson "

Hi, my name is Sampson.

I am Big, Sweet, and Huggable Newfoundland Retriever!

I just turned 4-years old in November. Although I live here in Tallahassee, I like to travel. When I come visit, maybe I can tell you about my adventure to Vermont!

This is my Mom... she will come with me to visit you.

I love to read, sing, and play with toys... but I always enjoy new things. Maybe you can share some of your favorite activities with me when we visit?

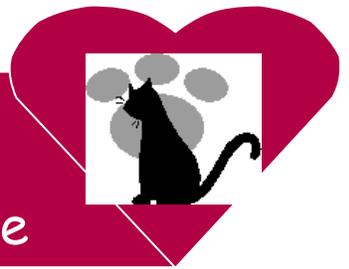

Hope to see you soon!

Love,
Sampson
